

Pool Opening Checklist

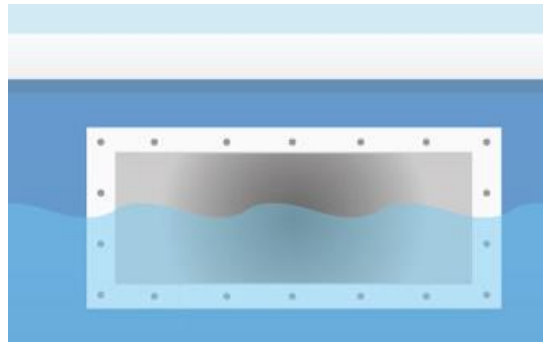

Thank you for scheduling your pool opening with Mossing Pools! Please make sure that your water level is to the middle of skimmer and all chemicals, handrails, ladders, and baskets are all out on the Sunday of your scheduled week so we can completely open your pool when we are there that week.

If you have any questions concerning your opening please call the office.

Thank you!

Checklist:

- Water Level is to the middle of the skimmer
(see picture below)

Leave out on Sunday of your scheduled week:

- Chemicals
- Handrails
- Ladders
- Baskets
